On Aug 1, prime minister Sheikh Hasina asked Khaleda to admit to her past crimes and bring her corrupt activities to an end.

The BNP secretary general Khandker Delwar Hossain and senior joint secretary general Mirza Fakhru Islam Alamgir have already protested about the prime minister's comments on their party's behalf.

BNP office secretary Ruhul Kabir Rizvi Ahmed told bdnews24.com on Thursday, "BNP will protest the prime minister's comments that did not conform to political etiquette, through a demonstration. We will also demand withdrawal of false cases against our leaders and their release."

Juba Dal president Syed Moazzem Hossain Alal told bdnews24.com, "All of the metropolitan Juba Dal units have sent out invitations to join the demonstration."
