

Population Census in Mar 2011

Thursday, 26 August 2010

The 5th population and housing census will be carried out in the country for five days from Mar 15 next year.

Planning minister A K Khandker told journalists that the decision was taken at a meeting of the National Statistics Council, held at the Statistics Building at the capital's Agargaon, on Thursday.

The 5th population and housing census will be carried out in the country for five days from Mar 15 next year.

Planning minister A K Khandker told journalists that the decision was taken at a meeting of the National Statistics Council, held at the Statistics Building at the capital's Agargaon, on Thursday.

The last population and accommodation census was run in January 2001.
